IMPORTANT INFORMATION REGARDING MEDICAL EXAMS

As part of the underwriting process we may ask for medical tests or exams to be completed at our expense. Common tests may include a paramedical exam, which will consist of questions about your medical history and measurements of your body including, but not limited to height, weight, blood pressure, and pulse. Blood and urine specimens are also generally collected. Undressing is not required for any of these tests. In some instances, an EKG (Electrocardiogram) may be required. An EKG is a recording of the electrical impulses in the heart. You will be asked to lay down with your shirt unbuttoned so the EKG leads can be placed on your chest.

If you have any questions about the specific tests that will be required of you, please feel free to contact your agent.

NOTICE REGARDING THE MIB

Information regarding your insurability will be treated as confidential. The Company or its reinsurers may, however, make a brief report thereon to the MIB, Inc., formerly known as Medical Information Bureau, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage, or a claim for benefits is submitted to such company, MIB, upon request, will supply such company with the information about you in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information in your file. Please contact MIB at 866-692-6901 (TTY 866-346-3642). If you question the accuracy of the information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the Federal Fair Credit Reporting Act. The address of MIB's information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734.

The Company, or its reinsurers, may also release information from its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted. Information for consumers about MIB may be obtained on its website at www.mib.com.

INSURANCE INFORMATION PRACTICES

This would be by personal interviews with neighbors, friends, associates, or other persons. This will concern the character, general reputation, personal characteristics, and mode of living (except as may be related to sexual orientation) of any person proposed for insurance. You may obtain additional information concerning the nature and scope of this investigation and a written summary of your rights under the Federal Fair Credit Reporting Act by contacting our Home Office.
